RE: The tariff classification of 5 "Kitz" Cleaners from Singapore.

Dear Mr. Jensen:

In your letter dated December 9, 1988, you requested a tariff classification ruling.

The 5 samples, submitted together with your inquiry, consist of "Kitz Conquest", "Kitz Elite", "Kitz Swift", "Kitz Kitchen Mate" and "Kitz Nan". All are cleaners with the same basic formulae with minor variations.

The applicable subheading for the 5 "Kitz Cleaners" will be 3402.20.1000, Harmonized Tariff Schedule of the United States (HTS), which provides for preparations put up for retail sale: other than containing any aromatic or modified aromatic surface active agent. It will be free of duty.

This ruling is being issued under the provisions of Section 177 of the Customs Regulations (19 C.F.R. 177).

A copy of this ruling letter should be attached to the entry documents filed at the time this merchandise is imported. If the documents have been filed without a copy, this ruling should be brought to the attention of the Customs officer handling the transaction.

Sincerely,

Jean F. Maguire
